### **Media Advisory**

**Multi car crash, I94 W/B at 35<sup>th</sup> Street, weather related. Minor injuries only.**

**Milwaukee (5:27 PM):** At 5:27 PM, MCSO Patrol Division deputies were summoned to the scene of what are believed to be 2 separate crashes, I-94 Westbound just east of 35<sup>th</sup> street. In total, 11 cars are involved in these incidents. Currently, 6 MCSO squads are on scene, accompanied by MFD Fire Rescue who are attending to 2 motorists complaining of minor neck and back pain. No motorists have been conveyed from the scene.

Upon initial investigation, it appears that a brief period of heavy rainfall contributed to this event.

As damaged vehicles are in distress lanes on both sides of W/B 94, this area will see vastly slowed travel times until at least 7 PM.
